

West Lulworth History Group

Our History Group was formed in 2002 with the aims of:

- creating and maintaining in the church, a public display of historical interest;
- collecting a general archive of historical information about the village.

We meet about five times a year, usually in the Village Hall, with a presentation on a topic of general interest.

Membership is £5/year, and visitors (£2/meeting) are always welcome at our meetings. We would particularly welcome new members interested in taking an active part in the research, collection and archiving of information.

If you want to know more, phone Viv King (01929)400294 or email viv.king1@btinternet.com
